v.

Homeland security

Defendant's.

U.S. DISTRICT COURT
MIDDLE DISTRICT OF TN

Plaintiff's Petition for Permission
For Leave For Judicial Notice

Come now, Plaintiff Kevin Roberto Cantu Garcia, seeking this court to take Judicial Notice of the matter at hand due to him being at the tip of the iceberg of flattening his sentence this September, 2025. Plaintiff seeks relief of this court so that he would not be faced with being returned to a country he does not know about nor have any ties with. Plaintiff's life will be placed in danger and death due to the mass violence that is occurring in Mexico by the various dangerous cartels. Plaintiff has been in the United States since he was 2 years old and this is the only home he knows. Plaintiff will be placed in imminent harm and danger if this court does not block HSA from sending him back to Mexico erroneously when he is in fact a United States citizen. Plaintiff prays this court will act in his favor.

Respectfully Submitted

Kevin Cantu
